Welcome to Bair's!

Parts and Services for Corvettes

Bair's is proud to share our newest catalog. Over 80 pages of high-quality parts, expert frame-off restorations, complete in-house rebuilding services, as well as cost saving technical advice for every Corvette enthusiast.

Since 1970, Bair's Corvettes has been a trusted name in the Corvette community.

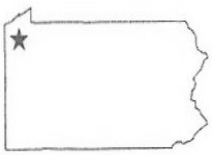

When you contact us, you'll speak directly with our knowledgeable staff - not an automated system - becase personal service is at the heart of what we do.

We sincerely thank our loyal customers for your ongoing support and warmly welcome those discovering Bair's for the first time. We're continuously working to serve you better, because it's you - our valued customer - who have made Bair's Corvettes what it is today.

With gratitude,
The Bair's Corvettes Team

LUG NUT CLEANING & POLISHING BRUSH

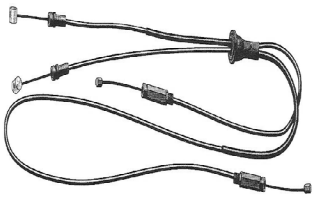

This brush makes cleaning wheels with recessed lug nut quick and easy. It has a convenient "T" handle design and is also notched to hang onto the side of a wash bucket. This brush will clean wheel cavities from 1 3/8" to 2" with lug nuts 3/4" to 13/16" and will work on many makes and models. This brush includes one extra foam cleaning head.
